**Executive Director**

Karen McClaflin  Karen McClaflin
From the Board President

I am proud to report that the California Automobile Museum had another great year, thanks to the hard work of the Volunteers and the Staff.

Led by Board member Mark Glover, the Special Exhibit of all things Italian “Automobilia” wound up in early 2011 and we kicked-off “WUNDERCARS!” a celebration of German cars. The exhibit of each of the four featured marques seems to be better than the last, with VW closing the show this summer with a great VW car gathering on March 18th. I can’t wait!

It seems appropriate this year to mention the names and hard work of some of the museum volunteers although we could not mention all in this address if it was 10 pages long. Board Member Larry Stiver along with the hard work of many committee members and Curator Nathan Smith have continued to revamp and improve our Collection and display of cars in the current building and are beginning to conceptualize our displays in a new facility.

Board member and Docent Council leader Ken Jordan deserves tremendous credit for tightening up our Docent procedure and how could we mention Docents without thanking “The Ol’ Schoolmaster” Bill Millard. Board member Kim Nelson not only teaches in the Docent class but volunteers on several committees and has agreed to lead the CAM Cruise this year. Board Secretary Dave Felderstein also volunteers on several committees but has been especially pro-active in increasing the number of students visiting the museum as Education Committee Chair.

Your Treasurer Keith Tronson is much appreciated for his insightful comments and helping us keep on track with our finances, which was a challenge this year. Mike Hess claims that he doesn’t know how it happened, but as Membership Chair, the museum had an unprecedented increase in the number of members in an economically challenged 2011. The dynamic duo of Board member Bob Tarczy and Vice-President Al Buescher are always there to volunteer for events and whatever else that is needed, including Bob chairing the Trips and Al Chairing Revenue Development. Carl Stein has played an important role in enhancing our Car Sales activities this year, putting in hundreds of hours to help our able Salesperson, Art Osby.

And we are looking for great things from new Board members Mike Ritenour and Jerry Godfrey who are already helping out on committees while they find their niches.

There is no way to overlook the valuable contributions of our unsung heroes, the volunteer Docents, those who serve on the Road Crew, help keep our cars running and clean and just generally are always there to help, including working Autorama just this past weekend. It is always fun to see them at our booth at the shows.

Last but certainly not least, Staff deserves recognition. Olessya Zhuk keeps our office on track and is our longest employee, Randy Masterson has somehow figured out how to reduce the roof leaks with no money, Hallie Morris’s Events became the biggest revenue stream in 2011 and Mario and his crew from InAlliance are invaluable. But the heart of the museum lies with our Executive Director, Karen McIaflin who ably herds all of us cats to a better year, every year.

Thank you to all of the staff, volunteers and you, the members/owners of the museum.

Sincerely,

Joe Hensler, Board President
2011

From the Executive Director

A century ago, the typical traveler would start their car with a hand crank, drive with their steering wheel on the right side, heat bricks to put in the bottom of the open-bodied car to keep their feet warm, climb steep hills in reverse if the gas tank was low, and bounce and bump at about 35 (20 hp) mph along dirt roads to get to their destination.

Today, we cruise along the freeways at around 70 mph with our air conditioning or heated seats keeping us comfortable, while we listen to our iPods in stereo and chat (via Bluetooth, of course) on our cell phones. We consult the GPS to get to our destination and trust our seatbelts and airbags to preserve our lives in an emergency. We’ve come a long way baby!

This year, as the Museum celebrates 25 years of sharing the evolution of the automobile with the public, we can certainly say we’ve come a long way baby, as well! It has been a pleasure to serve as Executive Director for these 5+ years and see the growth the Museum has achieved. Some milestones for 2011 include:

- Increasing school tours by 70%
- Moving the CAM Car Cruise to Fulton Avenue where we had over 300 classic cars and 3000 spectators
- Edward Towe’s homecoming on Founders’ Day where he got a ride in the 1903 Model A
- Record-setting car sales and rental events

I’d like to close by sharing some of the comments that our visitors have communicated to us, which is even more telling than me reporting all our latest statistics:

There were interactive sections to entertain the non-car savvy. There were a lot of photo opportunities for children and the young at heart in various cars. You can get a free tour from any of the very nice men in blue vests, who really do know a lot of interesting tidbits about the various cars. -Christina

Just held our office xmas party here last week and everything was perfect! We had about 80 last minute guests arrive and the staff at the museum didn’t skip a beat! Very friendly and helpful! This is our 2nd year having our xmas party at the museum, and I have a feeling it’s going to be a tradition now! -Miss M

For people who enjoy cars, this would be your little piece of heaven. Huge display of cars, more than I thought there would be to be honest. This makes for a great date idea. The row of Mustangs was amaaaazzzing, -Elizabeth

What an incredible place to spend an afternoon, or to hold an event! I got lost in the many rooms of classic and exotic cars, motorbikes, Automobilia and other memorabilia. The gift shop has all kinds of goodies for a car enthusiast like me! -Cindy

As the Executive Director of the California Automobile Museum, I am proud of what we achieved over the past year and am pleased to be able to share our accomplishments with you. This report reflects the support and hard work of generous donors, devoted volunteers, and dedicated staff members.

Thank you for allowing me the privilege to serve with you,
